

**SAVE SELF-TIMER SETTING**

If **ON** is selected, the setting chosen for **SELF-TIMER** will remain in effect after the camera is turned off.

Options	
ON	OFF

**SELF-TIMER LAMP**

If **ON** is selected, the self-timer lamp will light during self-timer photography. Select **OFF** when shooting night scenes or in other situations in which you would prefer that the lamp remain unlit.

Options	
ON	OFF
