

- 2 Highlight the source bank and press **MENU/OK**.

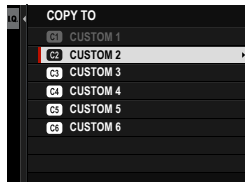

- 3 Highlight **COPY** and press **MENU/OK**.

- 4 Highlight the destination bank (C1 through C6) and press **MENU/OK**.
A confirmation dialog will be displayed.

Any changes to custom settings in the destination bank will be overwritten.

- 5 Highlight **OK** and press **MENU/OK**.
The selected settings will be copied to the destination bank, overwriting any existing settings.
