

## Uploading Pictures as They Are Taken

Pictures taken with **ON** selected for **FTP OPTIONAL SETTING > AUTO IMAGE TRANSFER ORDER** in the network/USB setting menu are automatically marked for upload.

## Selecting Pictures for Upload During Playback

If **FTP FTP TRANSFER ORDER** or **FTP FTP PRIORITY TRANSFER ORDER** is selected for **FUNCTION/DIAL SETTING > Fn1 BUTTON SETTING**, you can mark pictures for upload or change or remove their upload marking using the **Fn1** button during playback.
