

RATING

Rate pictures using stars.

- 1 Select **RATING** in the playback menu.
- 2 Use the focus lever (focus stick) to choose a picture and the front command dial to choose a rating of from 0 to 5 stars ("★").

- The rating dialog can also be displayed by pressing the **AEL/AFL** button in single-frame, nine-frame, or hundred-frame playback.
- Ratings cannot be applied to:
 - Protected pictures
 - Movies
 - "Gift" pictures (pictures taken with other cameras)
