The Playback Menu

Adjust playback settings.

The playback menu is displayed when you press **MENU/OK** in playback mode.
RAW CONVERSION

Even if you don't have a computer, you can use the camera to modify RAW pictures and save them in other formats.

Saving RAW Pictures in Another Format

1 Display a RAW picture.

2 Highlight **RAW CONVERSION** in the playback menu.

3 Press **MENU/OK**.
  A list of settings will be displayed.
