TRANSFER
PRIORITY TRANSFER

4. Mark pictures for upload.
   Highlight pictures and press **MENU/OK** to mark them for upload.

   - To switch to the memory card in the other slot or display only pictures that meet selected criteria, press **DISP/BACK** before marking begins.

SELECT IMAGE
001/999 FRAME
☑
Q SELECT ALL   AEL SELECT RANGE
OK SELECT   DISP FINISH/SETTING

   - To select all pictures, press the **Q** button.
   - Selecting any two pictures with the **AEL** button also selects all pictures between them.
